Sir,

I am directed to refer to Oil Industry's letter No. MKT.LG.8.CON dated November 18, 2002 on the above cited subject. The matter has been reviewed and it has been decided that Oil industry may continue to supply the subsidized LPG to Govt./municipal hospitals, hostels of all schools and colleges or for mid day meal schemes, and the social welfare institutions being run for child welfare/women welfare/social welfare institutions (children homes, old-age homes, and homes for disabled persons etc.). Rest of the categories are not allowed subsidized domestic LPG.

2. Necessary action may be taken accordingly.

Yours faithfully,
