

No. P-17018/24/2009-Mkt.
Government of India
Ministry of Petroleum & Natural Gas

Shastri Bhawan,
New Delhi, October 2010

To

1. CMDs of, ONGC/GAIL/OIL/IOCL/BPCL/HPCL
2. Director (Finance), ONGC/GAIL/OIL/IOCL/BPCL/HPCL
3. Director (Marketing), IOCL/BPCL/ HPCL

Sub: Use of 20% of Corporate Social Responsibility (CSR) funds for the scheme for grant of one time financial assistance to new BPL category LPG connection applicant to meet the cost of deposit for a cylinder and pressure regulator.

Sir,

As you are aware, it was decided last year that 20% of the CSR funds of six major PSUs namely GAIL/OIL/ONGC/IOCL/BPCL/HPCL will be utilized for two schemes i.e. 15% for the scheme for release of one time grant to BPL families in the rural areas for release of new LPG connection and 5 % for the scheme for Common Community LPG Kitchen facilities in Villages. In this connection copy of D.O. letter of 02.02.2010 of Secretary (P&NG) is enclosed.

2. As the off-take of expenditure on the Scheme relating to Community Kitchen is rather low, in partial modification, it has now been decided that until the earlier unspent amount for the scheme is fully utilized, entire 20% of CSR funds may be utilized for the Scheme for release of one time grant to BPL families in the rural areas for release of new LPG connection under Rajiv Gandhi Gramin LPG Vitaran Yojana (RGGLVY).

3. As the accounts for 2009-10 have already been finalized, amount meant for CSR activities would also have been finalized. You are therefore requested to transfer 20% of CSR funds of your Company for the current year to IOCL for being utilized for release of one time grant to BPL families for release of new LPG connection.

4. An early action is requested.

Yours faithfully,

(Apurva Chandra)
Joint Secretary (M)
